Overview

Mahinga Kai – Te Hoata (Kaupae 3) [Ref: 2348]

New Zealand Certificate in Māori Traditional Food Production, Harvest, and Management (Level 3)

This qualification is intended for whānau, hapū, iwi and local communities with an interest or some theoretical knowledge and operational experience in Mahinga Kai (Māori traditional food production, harvesting, and management) who are seeking a formal qualification to work with limited supervision at an introductory level.

The purpose of the qualification is to validate and enhance learners' knowledge, understanding, and skills in Mahinga Kai, with a view to preserving, enhancing, and promoting this body of knowledge for current and future generations. Te Iwi Māori and Aotearoa will benefit from having graduates who have, from an āhuatanga Māori perspective, an appreciation for mātauranga Mahinga Kai, and are able to apply those skills and knowledge.

Graduates will be able to work with whānau, hapū, iwi, and communities demonstrating and applying mātauranga Mahinga kai as a unique body of knowledge.

For more information on the qualification details, please refer to the NZQA website or scan the QR code at the top of the page.

Education Pathways

This qualification may lead to further study at a higher level in environmental, horticulture, agriculture, aquaculture, viticulture, apiculture, and conservation studies.

Career Opportunities

This qualification provides a pathway for graduates to develop capability and capacity to protect, maintain, and enrich mātauranga Mahinga Kai for whānau, hapū, iwi, and communities for future and current generations.

Graduates of this certificate will have the skills and knowledge to contribute to future Mahinga Kai development of whānau, hapū, iwi, and communities as horticulture and agriculture production assistants, nursery assistants, viticulture assistants, seafood processing work, fishing/seafood harvesting crew positions, aquarist and apiculture assistant positions.

Review of Unit Standards

The **Māori Environment** and **Whakamahi Whenua** unit standards are being reviewed during May through to November 2015 to align the outcomes of the standards with the newly listed New Zealand qualifications. If you would like to have input into the review, or would like further information regarding the review, and the development of new Whakamahi Whenua unit standards, **please contact** Māori Qualification Services.

Te Whakamahi Whenua unit standards can contribute towards achievement of the National Certificates in Educational Achievement (NCEA).

Assessment Support Material

A range of assessment support material is available on our website to assist providers assess against Te Whakamahi Whenua unit standards.
