Updating the definition of learning hours

12 May 2017

NZQA is consulting with the education sector on an updated definition of learning hours. This proposal is intending to update the definition of learning hours for it to include all learning activities undertaken by students enrolled in a qualification or programme.

The proposal also clarifies the term so the education sector and all learners can have a common understanding.

You can give feedback on this proposal by [filling in the survey](#). The survey closes at 6 pm on **Friday 23 June**.

For more information please see [Updating the definition of learning hours](#).
