Summary of feedback on offshore delivery

17 May 2017

In October 2016, NZQA invited feedback from tertiary education organisations (TEOs) on the Offshore Programme Delivery Rules 2012 settings and on the update of the Offshore Programme Delivery Guidelines 2012.

NZQA's objective is to enable TEOs to innovate and remain competitive in offshore delivery, while preserving the high-quality reputation of New Zealand's qualifications.

NZQA received 25 submissions. See [Offshore use of qualifications and programmes](#) for a summary of key findings, NZQA's response and further information.
