Information for students of Excellent International Academy (EIA)

07 Feb 2018

Excellent International Academy's (EIA) registration as a private training establishment has been cancelled, so it can no longer provide the programmes that it was delivering.

The New Zealand Qualifications Authority (NZQA) is working closely with Immigration New Zealand and Public Trust to provide you with the support and advice you need over the coming days and weeks.

NZQA has already been in contact with students about their next steps. If you have not heard from NZQA, or you have questions, you can contact:
