NCEA and the Whānau

NCEA & the Whānau is an information programme that provides guidance to parents and Whānau to better understand NCEA. NCEA & the Whānau aims to increase parents' understanding of NCEA and provides advice and easy tips on how parents can support their children/tamariki to achieve success in education.

NCEA is the **National Certificate of Educational Achievement**. It is the main national qualification for secondary school students in New Zealand.
