-----------------------	--

Available grade	Achieved
------------------------	----------

Guidance Information

- References**
 Building Act 2004;
 Health and Safety at Work Act 2015;
 and their subsequent amendments and replacements.
- Definitions**
Job documentation – drawings and job specifications.
Job requirements – specific requirements of the job at hand not covered by job specifications.
Job specifications – instructions (oral, written, graphic) and may include any of the following: manufacturer instructions; design drawing detail specifications; specifications from a specialist source such as an architect, designer, engineer, or a supervisor; and site or work specific requirements. Where job specifications are in conflict with applicable legislation, standards, and/or codes, such legislation, standards, and/or codes shall take precedence for the purpose of assessment.
Approving authority – includes but is not limited to territorial authorities, network utility operators, and building consent authorities.
- Drawings may be plans as relevant to the drainlaying sector. It is not expected that instruments will be used for drawing. Drawings are to suit the purpose of worksite communication.
- Candidates must hold a current limited certificate or exemption under supervision as issued under the Plumbers, Gasfitters, and Drainlayers Act 2006.

Outcomes and performance criteria

Outcome 1

Make as-built drawings and record variations to job specifications for drainlaying jobs.

Performance criteria

- 1.1 Make as-built drawings in sufficient detail to determine if the requested work is compliant and if alterations are required during the work.
 - 1.2 Make as-built drawings in sufficient detail to allow needed material, time, and equipment to be determined.
 - 1.3 Make as-built drawings in sufficient detail to enable the designer to create a plan for approval or amend the original plan and submit it to the approving authority for approval.
-
