<p>Identifies and explains in some detail at least ONE force, and links it to a significant historical trend, with supporting evidence.</p> <p>Identifies and explains at least ONE change and / or ONE continuity that resulted from the significant historical trend, with supporting evidence (explanation may be limited).</p>	<p>Identifies and explains at least TWO different forces, and links them to a significant historical trend, with relevant supporting evidence.</p> <p>Examines and explains ONE change and / or ONE continuity that resulted from the significant historical trend, with relevant supporting evidence.</p>	<p>Identifies and explains at least TWO different forces, and links them to a significant historical trend, with detailed supporting evidence.</p> <p>Provides some explanation of how these forces influenced a trend (explanation may be limited).</p> <p>Evaluates and explains at least ONE change and / or ONE continuity that resulted from the significant historical trend, with relevant, detailed supporting evidence.</p> <p><i>Depth / detail of evidence may vary.</i></p>	<p>Identifies and explains at least TWO different forces, and links them to a significant historical trend, with detailed supporting evidence.</p> <p>Provides an explanation of how these forces influenced a trend.</p> <p>Evaluates and explains at least ONE change and / or ONE continuity that resulted from the significant historical trend, with relevant, detailed supporting evidence.</p>	<p>Identifies and explains at least TWO different forces, and links them to a significant historical trend, with comprehensive and insightful supporting evidence.</p> <p>Provides an explanation of how these forces influenced a trend (possibly considering how the trend advanced or slowed as a result).</p> <p>Evaluates and explains at least ONE change and / or ONE continuity that resulted from the significant historical trend, with consistently relevant, comprehensive supporting evidence.</p> <p>Shows insight that acknowledges the complexity of the relationship between the forces, trend, and the change and continuity.</p> <p><i>This should be a concise response.</i></p>	<p>Identifies and explains at least TWO different forces, and links them to a significant historical trend, with comprehensive and persuasive supporting evidence.</p> <p>Provides a convincing explanation by prioritising these forces insightfully in terms of how they influenced a trend (possibly considering how the trend advanced or slowed as a result).</p> <p>Evaluates, explains, and prioritises at least ONE change and ONE continuity that resulted from the significant historical trend, with consistently relevant, comprehensive supporting evidence.</p> <p>Shows sustained insight that acknowledges the complexity of the relationship between the forces, trend, and the change and continuity.</p> <p><i>This should be a concise response.</i></p>
<p>N0 = No response; no relevant evidence.</p> <p>N1 = Identifies ONE particular force OR identifies the significant historical trend OR identifies ONE continuity or change.</p> <p>N2 = Identifies ONE particular force and attempts to explain how it has shaped a significant historical trend AND / OR identifies the significant historical trend and attempts to explain how the trend created change and / or continuity.</p>
