National Moderator's Report

General Guidance for Assessors of Achievement and Unit Standards

The purpose of external moderation is to provide reassurance that assessor judgements are at the national standard and are made on the basis of assessment activities that are fair and valid.

All assessment materials are expected to:

- give the learner the opportunity to meet the requirements of the standard
- have an assessment schedule that gives evidence of appropriate learner responses and clear judgements at all levels.

Unit Standard

17162 *Carry out an investigation into an aspect of Pacific indigenous knowledge with direction*

It may be helpful to indicate that information collected can be from a range of primary and/or secondary sources. A brief explanation of what is considered a primary and secondary source may be helpful.
