Rationale for the new or changed classification

Please provide a brief rationale for the addition or change. For example, a new category of learning or training has been identified; industry terminology has changed; rationalisation or expansion of existing classification categories is required.

For a new classification, list the draft titles of the new unit standards that will be classified in each new domain (or attach the list to this form)

SECTION 2**Impact of the change on existing unit standards, accreditations, and qualifications**

Please complete the three impact sections below or attach a completed draft of the [unit standard review or revision report](#). A unit standard [review support package](#) may be needed for this process.

Impact on existing unit standards

List the registered unit standards affected by the change to the classification system.
