Questions for Department Meetings

Year _____ Course or Subject and Level _____

Standard	1. Is this a difficult or easy aspect of the course?	2. Is this skill dependent on another? If so, which one?	3. Are our students generally good or weak at this?	4. Do we enter relative experts for this - or everyone?	5. Are our methods and resources strong or weak in this area?	6. Have we neglected this aspect in the past – was it assessed for SC/SFC/UB?	7. Is this standard appropriate? Could we use a different standard or not assess this aspect	8. Do we have the right assessment approach? Could we assess this differently?	Is action needed? If so, what action?

NB: Use two rows per standard if more space is needed
