

INSTRUCTIONS FOR CARRYING OUT THESE TASKS

1. You must insert, as **a header on every sheet used**, your NSN followed by this achievement standard number (90034). Any work without this header will not be marked. **Work with a handwritten header will not be marked.**
2. Save your work frequently.
3. If your computer breaks down, your teacher will assist you by either moving you to another machine OR giving technical assistance.
4. All CAT material must be kept secure when not being used.

Instructions for final printing and collation of work are given on page 7 of this booklet.
