#### **RESOURCE TWO**

### **RESOURCE THREE**

The following is taken from a conversation that took place between Brianna and her dad about *Sweetworld*.

Dad: "I see you employed an extra permanent office staff person this year."

**Brianna**: "Yes, I had to. There were important office-related tasks not being completed. I am confident I won't have to hire any more office staff in the next few years, as I now have enough staff to handle the increased office-related tasks from the forecast sales growth market research has indicated".
