Notes

- In this assessment, the New Zealand Equivalent to the IASB Conceptual Framework for Financial Reporting 2010 is referred to as the NZ Framework.
- You can use HG to refer to Hallenstein Glasson Holdings Limited in your answers.

QUESTION ONE

The extract below is from the notes to the financial statements of *Hallenstein Glasson Holdings Limited* for the period ended 1 August 2013.

Notes to the Accounts (extract)

Hallenstein Glasson Holdings Limited is a retailer of men's and women's clothing in New Zealand and Australia. Hallenstein Glasson Holdings Limited is a company registered under the Companies Act 1993 and is listed in the New Zealand Stock Exchange (NZX). The company is a limited liability company incorporated in New Zealand.

(a) Explain what **limited liability** means and how this applies to the **shareholders** in *Hallenstein Glasson Holdings Limited*. Include in your answer a justification of circumstances in which limited liability may not protect a **director** (who is also a shareholder) of *Hallenstein Glasson Holdings Limited*.

Limited liability means that if # \$ 16 were to go bankrupt, the shareholders of 14 are only limited to the amount they rimested as their liability. This means shareholds in 16 are not in danger of tosing their fersonal assets if 16 were to go under. In the circumstance of a director being a shareholder and the 6 16 ment under as the director with held information from other share holders, the director would not be limited to limited liability and may lose this assets to help repeny any debt 14 a may have faller in.

N

ASSESSOR USE ONL) Justify how the **cost constraint on useful financial reporting** (formally referred to as the balance between benefit and cost) is applied to *Hallenstein Glasson Holdings Limited* as a New Zealand reporting entity.

ASSESSOR'S USE ONLY

The cost constraint on useful financial reporting referred to as the tralance between kenefit and cost is applied to the as a New Zealand reporting entity by using the New Zealand framework which is the Equivalent to the IASB (onceptual framework.

The cost constraint means that It a's financial Statements are prepared for the same amount as other companies across New Zealand.

This means that It a's financial statements will will be easily companed to other companies financial statements will will be easily companed to other companies

(c) Justify why suppliers of *Hallenstein Glasson Holdings Limited* would be interested in the Statement of Cash Flows. Include in your answer the purpose of the Statement of Cash Flows.

Suppliers of Hallenstein Glasson Holdings Limited would be interested in the Statement of Cash Flows as the Statement of cash flows would provide the supplier with the Anguseroff total cash flows in and out of the HC bost and whother they are making a swipplier than of cash mould be a good sign for suppliers as it would encourage them to continue supplying for the good sign for suppliers confidence in the being able to repay their debts I cash for suppliers and vice versa if it was a deficit suppliers would want

Pricewaterhouse Coopers and itors' regert has been included in It as annual report in order to Show the readers of the financial reports that Ita's financial reports comply with NZ Francouck and that they have keen and ited meaning they have been checked and reviewed and they are all correct and free from error which revisics the validity of their financial statements. It also shows that their financial statements would be being compared to other companies.

A3

Notes to the Accounts (extract)

Standards, Amendments and Interpretations to existing standards (extract)

There have been no significant changes in accounting policies during the year.

(a) Explain how the above information aids comparability in Hallenstein Glasson Holdings Limited's general purpose financial statements for a current shareholder of the company.

the above information "there have been no significant changes in accounting policies during the year "aids comparability in Hais general purpose financial statements for a current show holder of the company as it means both years financial Statements (previous and current years) should be prepared exactly the same making it easier to compone and draw trends of the for example sprofit increasing or expenses decreasing.

(b) Using the liability definition, justify why <u>Taxation Payable</u> is reported AND classified as a current liability in *Hallenstein Glasson Holdings Limited*'s Statement of Financial Position.

Taxation payable is reported and classified current liability Bin Fallowstein Glasson Holdings Limited's Statement of Huancial position as the tax is due from past transactions , Hu has a bility to essipay tax and the Payment cause a ric kene Pit cash for HG. The payment will not be a distribution to the It is a current liability as the are have a current obligation to repay the debt in the current or next accounting Taxation is due annually and t be with held from th

Notes to the Accounts (extract)

Inventories

Inventories are stated at the lower of cost or net realisable value.

Inventory adjustments are provided at year end for stock obsolescence within cost of sales in the Statement of Comprehensive Income.

(c) Justify why the obsolescent stock included in *Hallenstein Glasson Holdings Limited*'s inventory on balance day will be stated at the lower of cost or net realisable value.

Obsolescent stock will be included in Ha's inventory on beglance day at a loner cost or not realisable make the so the worth of the inventory is not oner strated there fore overstating the worth of the total Ha. By Shating the obsolescent stock at the net realisable walne or a loner cost with it will & give a more accurate worth of the tow the as it is most likely obsolescent stock will sell for less in the following accumuling period.

For the year ended 1 August 2013, payments to suppliers amounting to \$148.3 million (rounded) are included in *Hallenstein Glasson Holdings Limited*'s Statement of Cash Flows. Of this, \$2.6 million (rounded) was prepaid to suppliers for expenses that will be incurred during the year ended 1 August 2014.

(d) Explain in detail, using relevant amounts, how the supplier expenses and the prepaid supplier expenses will be reported in *Hallenstein Glasson Holdings Limited*'s general purpose financial statements, other than the Statement of Cash Flows, for the year ended 1 August 2013.

For the year ended 1 August 2013 the payment to suppliers of \$ 148.3 million (rounded) including a prepayment of \$2.6 million (rounded) will be reported in two Hu's financial statements as .. Inthe Statement of Financial position the asset bank will decrease \$148.3 million. *1.

I While the account prepayments will be convent, liability created totalling \$2.6 million. Accounts payable will therefore decrease to \$145.7 hather million most likely down to \$0 if prepayments was created. **3 * as the accounts payable is paid off using cash from the business, Ha therefore the asset bank which is made up of cash decreases. *2 as the prepaid \$2.6 million for suppenses expected to be incurred in the next accounting Period ending 1 August 2014. * 3 Accounts payable is the cost of expenses owed to suppliers accumulated during the year as invoices are received.

A3

Hallenstein Glasson Holdings Limited's significant accounting policies and notes to the accounts for the period ended 1 August 2013 include the following:

Property, plant and equipment (extracts)

Land and buildings are recorded at valuation and are revalued at least every three years based on an independent valuation by a member of the New Zealand Institute of Valuers.

Land and buildings were revalued to fair value on 1 August 2013. Valuations were made on the basis of recent market transactions on arm's length terms. The valuations assume no major economic downturn after the date of valuation and that the properties continue to be managed and maintained in a professional manner.

The values were determined by independent valuers *Colliers International and Telfer Young (Hawkes Bay) Ltd.*

The following statement has been extracted from the Chairman's Report of *Hallenstein Glasson Holdings Limited*'s annual report for the period ended 1 August 2013:

"Notwithstanding a decline in profit, the balance sheet remains strong and cash reserves stand at \$19.312 million. The Group remains debt free".

Use the information provided in the extracts above to explain how the fair value of land and buildings can be used as security over a loan. In your answer:

- justify how Hallenstein Glasson Holdings Limited's land and buildings measured at fair value meet the definition and recognition criteria of ar asset)
- justify why the fair value amount reported for land and buildings can be relied on by a bank manager when approving loan finance and how the chairman's statement relevant information for the bank manager.

Hu's land and buildings measured at fair value meet the definition and recognition criteria of an asset as both the land and buildings were purchased in a past transaction. Hu has present control oner their land and buildings. The Hu's land and buildings will creake future e conomic benefit in the form of cash when they are used to sell their products, and when sold

Will create further tuture economic benefit ASSESSOR'S on the form of ash. The value of both the land of and building can be found on the deed, howevern can be verified after being veraled overy three years for a mare accurate cost by independent valuers Colles International and Telker Long Charles Bay) Lbd. The land and buildings here not a distribution from the owner,

The fair value amount reported for land and buildings can be relied on by a bank manager when approving loan finance as the bank manager will need to report what the loan will be spent on therefore needing to know the exact cost of the land and buildings to verify all the money being loaned is being spent on the correctly allocated purchase. The chairman's statement is relevant information for the bank manager as the goals and tuture investments of Ha are other Stated in their statements and the bank Manager will need to verify that the chairman hais Stated a purchase in land and buildings therefore the loan applical for is valid. The chairman's report States that "Not withstanding a decline in profit, the balance Sheet remains strong and cash reserves

10

Extra space if required. Write the question number(s) if applicable.

to greation whether to continue supplying the because if they have a low cash flow, it would be less likely that suppliers will be faid on time.

stand at \$19.312 million. The group remain debt free. "Which is an important statement for the 3 bank manager as it means that the bank manager can be more confident in the tare H a repaying their loans as they have a strong each holding and are debt free which the bank manager can further verify by checking their financial statements.
