Not Achieved exemplar for 90878 2015		Total score	6/32			
Q	Grade score	Annotation				
1	N2	The candidate has produced very little accurate response to this text. The only correct details are: knowing the history of the club and the fact that Carter played in France in 2009 and so an N2 was awarded.				
2	N0	There is a lack of accurate information to be awarded a grade in this instance. There are some correct words but nothing that holds together sufficiently to have shown understanding of the text.				
3	N1	The only phrase that is accurate in this instance is the benefit of "having the same routine". Therefore an N1 has been awarded for this question.				
4	А3	This text was rich in possibilities for evidence. The candidate has picked upon some of the higher frequency / lower language level items and correctly included them in this response (big, formal dinner and agreeable atmosphere).
