Q	Grade score	Annotation				
1	N2	Candidate demonstrated limited understanding of the spoken text and included only a limited amount of information. To gain A3 or A4 the candidate would need to justify their choice by using more specific details from the passage and link in the information.				
2	N1	Candidate showed very little understanding of Aldi's concept and why/ why not it could be successful, so candidate included very few details of the concept. Paragraph about vegetarians suggests that candidate has not understood parts of the passage.				
3	N1	Candidate showed very limited understanding, some comparisons were made, however, to gain a higher mark candidate needed to include more details about fears and compare them to New Zealand.
