<p>A Mōteatea that can be performed at the Koroneihana is a Mōteatea Tangi. This waiata is used to sing about loved ones who have passed or can be used to remember ancestor.. A Waiata Tangi can be used at funerals or remembrance ceremonies so that people can express their emotions for the person they may have lost. This is suitable for the occasion because at the Koroneihana people come with photos of people who have passed on. Waiata Tangi is a good way to remember those people and sing with the rest of your iwi to let their negative emotions out in Waiata.</p>

<p>A Mōteatea that can be used at the Koroneihana is a Moteatea Aroha. A Waiata Aroha is used to express love and compassion, it is usually to sing about loved ones in a happy way and it can be used to remember lost ones as well. A Moteatea Aroha is usually performed at get togethers with whanau or even tangis where they sing a Waiata Aroha to send them off with a waiata of love. A Moteatea Aroha is suitable to use at the Koroneihana because our iwi can sing a Waiata Aroha to remember our loved ones but also sing a song of love dedicated to them.</p>

<p><b>B</b> <i>I</i> <u>U</u>            </p> <p>The fist Waiata a ringa i picked was a waiata about your whakapapa. The reason why i chose this is because there are diffeint iwi that will be going to the koroneihana so u can sing about were your from and sing about your iwi to let everyone know were your from and what your iwi is about</p>

<p><b>B</b> <i>I</i> <u>U</u>            </p> <p>The waiata Tangi would be a good idea to take to the koroneihana. A waiata tangi. It ussually talks about something sad or it talks about the whanau or pepole that has past away. A good waiata tangi i know is E rere ra. I think taking on a waita tangi to the koroneihana is good because u can go on stage and sing about whanau that has past away.</p>

A waiata Ngahau is suitable to take to Koroneihana because Koroneihana is whakangahau and not a place where you would compete with other iwi and celebrate performing at Koroneihana.

**B I U**

Why i think waiata whakapapa is appropriate to this hui then every other waiata is because u would wanna talk about your iwi and your tupuna, were your from also intresting stories about your iwi There will also be other iwi there as well that will be talking about were there from. so thats why i think doing a waiata whakapapa would be the best to take to Koroneihana.

Why was this waiata ā-ringa category suitable for the chosen context/theme?

*He aha i pai ai tēnei wāhanga waiata ā-ringa mō tēnei horopaki?*

This is another appropriate waiata is what i think if you would want to sing about pepole or whanau that has recently past away like Whaea Hellen Matua Te Kanawa. There is a song i know that would be cool to take on to Koroneihana is E rere ra. i dont think waiata tangi would be better the some others to take to this hui but it will be appropriate to talk about te hunga mate.
