

**AS90205**

Some changes have been made to EN 3 to better outline requirements for levels of achievement.

**AS90206**

A new EN 2 states that achievement criteria must be met in the context of one topic, and must allow for the collection of primary data from the field. The achievement criteria have been slightly changed to clarify that accuracy particularly applies to presentation. This has been defined in the renumbered EN 3.

**AS90207**

The title has been changed to include the term 'describe'. Some changes to definitions in EN 3 have been made to clarify requirements.

**AS90208**

A new EN 2 states that achievement criteria must be met in the context of one global geographic topic. The title has been changed to include the term 'describe'. Some changes to definitions in the renumbered EN 3 have been made to clarify requirements.
