

NATIONAL QUALIFICATIONS FRAMEWORK (NQF) UPDATE

Tertiary Education Organisation (TEO) Login

This circular is to advise that from 1 October 2006, all accredited organisations must have shifted to using one of the two Single Internet Authorisation (SIA) access portals for TEO login access to the Record of Learning (RoL) Extranet.

The Provider Login access facility will not be operational from 1 October 2006.

In March 2006, all accredited organisations were advised through QA Operations circular NQF2006/01 that the TEO login was to be changed to include two new login options. These are Single Internet Authorisation (SIA) access by Username and Password, or SIA access by Digital Certificate.

A pilot was successfully conducted and access via SIA login has already been rolled out to the over 100 accredited organisations. Details about SIA registration which is administered by the Ministry of Education's Tertiary Helpline can be found via the following link

For help with the registration process please contact the Tertiary Helpline at tertiary.help@minedu.govt.nz or 0800 422 599.
