Labels for Recordings for Dance External Assessments

Printed labels were sent to schools in October. The recording duration times printed on the labels are incorrect and differ from those in the assessment specifications. The correct playing times are as follows:

Level 1 - 90004: 2½ - 4 minutes

Level 2 - 90297: 2½ - 4 minutes

Level 3 - 90597: 3 - 6 minutes.

Two copies of each recording must be submitted to the New Zealand Qualifications Authority with the completed examination papers. To assist markers, each recording must be correctly labelled with the label provided, and include all of the following:

- achievement standard number
- school code
- marker code
- the title of the dance used.

The recordings will be returned to schools in April 2009 after the reconsideration process has been completed.
