National Certificate in Seafood Māori (Customary Fishing) (Level 3)

Level 3

Credits 55

Purpose

The purpose of this qualification is to recognise the skills and knowledge of customary fishers, using practices that enhance the sustainable management of fishing. Holders of this qualification will be able to demonstrate a range of basic skills and knowledge in customary fishing techniques and practices, specific to species of kaimoana, kairoto or kaiawa.

This qualification also allows for some flexibility to recognise skills the trainee may have in other seafood, maritime or Māori related areas.

This qualification provides a pathway to the following qualifications:

- National Certificate in Seafood Māori (Customary Fishing Management) (Level 4) [Ref: 1065].
- National Certificate in Seafood (Level 4) with optional strands in Aquaculture, and Processing [Ref: 0854].

Credit Range

	Elective 1	Elective 2
Level 2 credits	0-10	0-5
Level 3 or above credits	15-25	25-30
Minimum totals	25	30

Requirements for Award of Qualification

Award of NZQF National Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided on the New Zealand Qualifications Authority (NZQA) website: <http://www.nzqa.govt.nz/qualifications-standards/standards/standards-exclusion-list/>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.

Summary of Requirements

NZQA

Certification

This certificate will display the logos of NZQA, the Primary Industry Training Organisation and the organisation that has been granted consent to assess against standards that meet the requirements of the qualification (accredited).

Classification

This qualification is classified according to the classification system listed on the Directory of Assessment Standards (DAS) and the New Zealand Standard Classification of Education (NZSCED) system as specified below.

DAS Classification		NZSCED	
Code	Description	Code	Description
394	Māori > Seafood Māori	050702	Agriculture, Environmental and Related Studies > Fisheries Studies > Seafood Harvesting (Fishing)

Quality Management Systems

Providers and Industry Training Organisations must be granted consent to assess by a recognised Quality Assurance Body before they can register credits from assessment against standards. Organisation with consent to assess and Industry Training Organisations assessing against standards must engage with the moderation system that applies to those standards. Consent to assess requirements and the moderation system are outlined in the associated Consent and Moderation Requirements (CMR) for each standard.
