Reviewed

National Certificate in Carpet and Textile Cleaning with optional strands in Carpet Colour Restoration, Restoring Water Affected Carpet, and Establishing a Carpet Maintenance Schedule

Level 3

Credits 53 (or 59-65 depending on optional strand)

Purpose

This qualification is awarded to people who have demonstrated competence in carpet and textile cleaning. This qualification includes a compulsory section with skills that are generic to everyone undertaking the qualification, and an elective set which allows people to select standards which are specific to their situation and requirements.

Optional strands in carpet maintenance, repair and restoration allow recognition for people who choose to specialise in carrying out, one or more carpet cleaning and restoration services at an advanced level.

Credit Range

	Compulsory	Elective	Carpet Colour Restoration Optional Strand
Level 2 credits	9	–	–
Level 3 or above credits	38	6	6
Minimum totals	47	6	6

	Restoring Water Affected Carpet Optional Strand	Establishing a Carpet Maintenance Schedule Optional Strand
Level 4 credits	12	–
Level 5 credits	–	8
Minimum totals	12	8

Requirements for Award of Qualification

Award of NZQF National Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided on the New Zealand Qualifications Authority (NZQA) website: <http://www.nzqa.govt.nz/qualifications-standards/standards/standards-exclusion-list/>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.

Summary of Requirements

- Compulsory standards
- Elective – A minimum of 6 credits as specified

The following strands are optional

- Carpet Colour Restoration Optional Strand
- Restoring Water Affected Carpet Optional Strand
- Establishing a Carpet Maintenance Schedule Optional Strand

13348	Establish a planned carpet maintenance schedule	5	8

Transition Arrangements

Version 3 was revised to take account of standard reviews.

Changes to structure and content

- Standard 25918 has been substituted for standard 7442.
- *Core Health* standards 6400, 6401 and 6402 have been replaced by *First Aid* standards 26551 and 26552.
- The titles of standards 1577, 13349 and 20669 have been updated to match changes made at review.
- The total credit value of the qualification has decreased by three credits.
- The name of the optional strand in Restoring Water Damaged Carpet has been changed to Restoring Water Affected Carpet to reflect terminology changes in standard 13349.

For detailed information see Review Summaries on the NZQA website.

This qualification contains standards that replace or substitute earlier standards. For the purposes of this qualification, people who have gained credit for the earlier standards are

exempt from the requirement to gain credit for the replacement standards – see table below.

Credit for	Exempt from
1578	13346
6400	26551, 26552
6401	26552
6402	26551

People currently enrolled in programmes or courses leading to the award of version 2 of this qualification may either complete that version before the last date for assessment or transfer to version 3.

It is not intended that anyone is disadvantaged by this review and the above arrangements are designed for a smooth transition. However, anyone who feels they have been disadvantaged may appeal to the ITO at the contact details below.

Previous versions of the qualification

Version 2

This qualification was reissued as version 2 in order to correct the strand name in the qualification title, from Carpet Colour Repair to Carpet Colour Restoration.

Other standard setting bodies whose standards are included in the qualification

NZQA

Other standard setters will vary depending on the electives chosen.

Certification

This certificate will display the logos of NZQA, the Community Support Services ITO Limited (Careerforce) and the organisation that has been granted consent to assess against standards that meet the requirements of the qualification (accredited).

Classification

This qualification is classified according to the classification system listed on the Directory of Assessment Standards (DAS) and the New Zealand Standard Classification of Education (NZSCED) system as specified below.

DAS Classification		NZSCED	
Code	Description	Code	Description
756	Service Sector > Cleaning and Caretaking > Carpet and Textile Cleaning	039909	Engineering and Related Technologies > Other Engineering and Related Technologies > Cleaning

Quality Management Systems

Providers and Industry Training Organisations must be granted consent to assess by a recognised Quality Assurance Body before they can register credits from assessment against standards. Organisation with consent to assess and Industry Training Organisations assessing against standards must engage with the moderation system that applies to those standards. Consent to assess requirements and the moderation system are outlined in the associated Consent and Moderation Requirements (CMR) for each standard.
