Transition Arrangements

This qualification has been reviewed and has not been replaced.

The last date for entry into programmes leading to this qualification is 31 December 2019.

Please note that the elective section of this qualification includes several expired standards and unit standard 14473 expiring in 31 December 2019. To meet the requirements of the elective section candidates are able to select standards from the Te Ao Tūroa domain, any domain within the Outdoor Recreation subfield and/or unit standards 19433 and 19434. Candidates wishing to complete the requirements of this qualification via unit standard 14473 must do so before 31 December 2019.

For detailed information see [Review Summaries](#) on the NZQA website.

It is anticipated that no existing candidates will be disadvantaged by these transition arrangements. However, anyone who feels that they have been disadvantaged may appeal to Skills Active Aotearoa at the address below.

National Diploma in Outdoor Recreation (Instruction) (Level 5)

Level 5

Credits 120

Purpose

This qualification recognises the specialist skills of Outdoor Recreation Instructors. Holders of this qualification will have demonstrated a high level of risk management in the outdoor recreation industry and the ability to instruct risk management to others. They will also have demonstrated research and writing skills as well as interpersonal communication skills to present information and facilitate groups. The Elective section of the qualification has been designed to allow for flexibility to choose unit standards from a number of Outdoor Recreation pursuits, or complementary skills in business, health and safety, Te Ao Tūroa, and workplace supervision. Holders of this qualification will have a well rounded ability to instruct and lead groups in the outdoors.

This qualification builds on from either the National Certificate in Outdoor Recreation (Instruction) with strands in Adventure Based Learning, Kayaking, Mountaineering, Single Pitch Rock Climbing, and Tramping [Ref: 0733] or the National Certificate in Caving (SRT Cave Guide Instruction) (Level 4) [Ref: 1192].

People intending to undertake this qualification in the workplace should seek advice to assist with their elective unit standard choice as some unit standards have prerequisite unit standards that are not included in this qualification.

Special Note

Prerequisite: The National Certificate in Outdoor Recreation (Instruction) with at least one strand [Ref: 0733]; or the National Certificate in Caving (SRT Cave Guiding Instruction) (Level 4) [Ref: 1192]; or demonstrate equivalent knowledge and skills.

Requirements for Award of Qualification

Award of NZQF National Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided on the New Zealand Qualifications Authority (NZQA) website: <http://www.nzqa.govt.nz/qualifications-standards/standards/standards-exclusion-list/>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.
