## National Diploma in Reo Māori (Level 5)

**Level** 5

**Credits** 140

### Purpose

The National Diploma in Reo Māori (Level 5) [Ref: 1196] is awarded to people who have demonstrated competence in the knowledge and skills required for achievement in the domains *Kōrero*, *Whakarongo*, *Tuhituhi* and *Pānui*. It is designed to recognise the skills, knowledge, and competence required for people to use te reo Māori at a high level.

The compulsory section recognises the ability to be able to use te reo Māori competently and confidently in the education, business, or public sectors; as well as in community and indigenous settings. Candidates are able to communicate effectively and appropriately with their target audience in te reo Māori. They have an understanding of the structure of formal and colloquial te reo Māori, and are able to embellish their written and oral te reo Māori with idioms and aphorisms. They have the ability to manipulate language and sentence structure, and to use literary devices appropriately.

The elective section allows candidates to select from a diverse range of outcomes from field Māori to allow the qualification to be focused on the specific needs of the individual.

This qualification builds on the prerequisite National Certificate in Reo Māori (Level 4) [Ref: 0426] and is a prerequisite for the National Diploma in Reo Māori (Level 6) [Ref: 1197]. It provides a basis for further study such as the National Certificate in Reo Māori Media (Introductory Media Skills) [Ref: 1024]; the National Diploma in Reo Māori Media with strands in Journalism, Radio, and Television (Level 5) [Ref: 1146]; the National Certificate in Tourism Māori (Level 4) [Ref: 1077]; and the National Diploma in Tourism Māori (Level 5) [Ref: 1096].

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). ## Prerequisite Diagram

All unit standard relationships in the diagram below are recommended pathways. It is recommended that unit standards for Kōrero and Whakarongo, and for Tuhituhi and Pānui, are achieved at the preceding level before credit is sought at the next level. This is intended to enhance the development of Reo Māori knowledge and skills.
