

National Diploma in Community Recreation (Facility Management) (Level 5)

Level 5

Credits 120

Purpose

The National Diploma in Community Recreation (Facility Management) (Level 5) is a qualification that recognises the skills and knowledge required for management of recreation facilities and associated resources, programmes and services.

People awarded this qualification are able to fulfil the role of facility manager in planning for, implementing and evaluating all aspects of a recreation facility, its development and operation.

This qualification provides opportunity for team leaders, supervisors and managers within a community recreation facility to develop specific community recreation facility skills underpinned by generic management competencies.

This qualification builds on the National Certificate in Community Recreation (Programme and Event Management) (Level 4) [Ref: 0939] and the National Certificate in Community Recreation (Aquatics) (Level 4) [Ref: 0938] and can lead on to the National Diploma in Community Recreation (Programme and Event Management) (Level 6) [Ref: 0941].

Award of NQF Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided in the Qualifications Authority *Rules and Procedures* publications available at www.nzqa.govt.nz/ncea/.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (Id). Any version of a standard with the same Id may be used to meet qualification requirements that list the Id and/or that specify the past or current classification of the standard.
