Credits 85

This qualification has been **reviewed**. The last date to meet the requirements is **31 December 2019**.

Transition Arrangements

This replaced qualification version 2 was republished in September 2017 to extend its last date for entry into training programmes from 31 December 2017 to 31 December 2018.

This qualification has been reviewed and replaced by the New Zealand Certificate in Commercial Road Transport (Senior Driver) (Level 5) [Ref: 3093].

The last date for entry into programmes leading to the replaced qualification is 31 December 2018. The last date to meet the requirements for the replaced qualification is 31 December 2019.

People currently working towards the replaced qualification may complete its requirements by the date specified or transfer their results to the replacement qualification.

It is anticipated that no existing candidates will be disadvantaged by these transition arrangements. However, anyone who feels that they have been disadvantaged may appeal to MITO at the address below. Appeals will be considered on a case by case basis.

For detailed information see [Review Summaries](#) on the NZQA website.

This qualification contained standards that were expiring and that have been replaced by other standards. For the purposes of this qualification, people who have gained credit for the expiring standards are exempt from the requirement to gain credit for the replacement standards – see table below.

National Certificate in Commercial Road Transport (Goods Service Senior Driver)

Level 4

Credits 85

Purpose

This qualification is for experienced truck drivers who fulfil a 'leading hand' or senior driver role within a transport organisation and who may be involved in the training of other drivers.

Holders of this qualification are able to:

- demonstrate advanced driving techniques and a professional attitude to driving
- mentor new drivers and be a role model
- communicate effectively with colleagues and managers
- apply organisational policies and procedures
- manage a group of drivers and vehicles.

The Elective sections of the qualification provide candidates with the flexibility to select standards that best suit their work environments. Elective 1 allows drivers to choose standards relating to either heavy rigid or heavy combination vehicles. Elective 2 provides a range of options for candidates to choose from, including first aid, interpersonal communication, and adult education standards.

This qualification builds on the National Certificate in Goods Service (Heavy Vehicle Driver) with strands [Ref: 1228] and may lead on to the National Certificate in Road Transport Management (Operations) (Level 4) [Ref: 1209] and the National Diploma in Road Transport Management [Ref: 0961].

Candidates who have successfully completed this qualification may also choose a pathway on to the National Certificate in Driving (Education and Assessment) with strands [Ref: 0793].

Special Notes

This qualification does not permit the holder to drive a motor vehicle on New Zealand roads. To drive a motor vehicle legally, the driver must be the holder of the appropriate current driver licence of the Class for the vehicle. The NZ Transport Agency issues driver licences.

Requirements for Award of Qualification

Award of NZQF National Qualifications

Credit gained for a standard may be used only once to meet the requirements of this qualification.

Unit standards and achievement standards that are equivalent in outcome are mutually exclusive for the purpose of award. The table of mutually exclusive standards is provided on the New Zealand Qualifications Authority (NZQA) website: <http://www.nzqa.govt.nz/qualifications-standards/standards/standards-exclusion-list/>.

Reviewed standards that continue to recognise the same overall outcome are registered as new versions and retain their identification number (ID). Any version of a standard with the same ID may be used to meet qualification requirements that list the ID and/or that specify the past or current classification of the standard.
