Revision of *Te Ao Tūroa* qualification

National Certificate in Te Ao Tūroa [Ref: 0931]

The Sports, Fitness, and Recreation Industry Training Organisation (SFRITO) has revised the above qualification that was registered in February 2002.

Date new version published

December 2005

The review of this qualification is planned to take place in 2007

Reason for the revision

This qualification was revised to mitigate the impact of the review of the *Outdoor Recreation* unit standards.

Main changes resulting from the revision

Due to the extent of the changes in the *Outdoor Recreation* review, Elective 3 has been expanded to allow credits from anywhere in the *Outdoor Recreation* subfield.

The title of version 2 now also includes the level of the qualification: *National Certificate in Te Ao Tūroa (Level 3)*.

Transition

People working towards version 1 may either complete that version or transfer their results to version 2 of the qualification. However, to the best of Sfrito's knowledge, no trainee or learner has ever enrolled in a programme leading to Version 1 of this qualification.
