	Proprietary Plaster Cladding Systems	17502
	Solid Plastering	6105
	Specialist Interiors	4338, 6122

The Building and Construction Industry Training Organisation has revised the unit standards listed above. The unit standards shown in **bold** have also been rolled over.

Date new versions published**January 2007****Planned review date**

Domain	Id	Date
Construction Health and Safety, and Industry Prevention	21209, 21969	December 2008
Carpentry Theory	21005, 21012	December 2008
Concrete Construction	18512, 18513, 18514, 18515	December 2009
Floor and Wall Tiling	21372, 21373, 21374, 21375, 21377, 21378	December 2008
Solid Plastering	6105	December 2008
All other unit standards		Unchanged

Reason for the revision

These unit standards have been revised in order to match the accreditation statement with Version 4 of Accreditation and Moderation Action Plan 0048, which has been reviewed and updated.

The opportunity was also taken to roll over some of the unit standards in order to extend their planned review date to a date when a full review can be undertaken.

Main changes resulting from the revision

The accreditation statement in each unit standard has had the words 'and visit' added. The statement now reads 'Evaluation of documentation and visit by NZQA and industry.'

Impact on existing qualifications

None.
