------------------------	----------

Guidance Information

- 1 All learning and assessment against this standard must be carried out in accordance with the following:
 - relevant legislation including Health and Safety at Work Act 2015 and Human Rights Act 1993, Vulnerable Children Act 2014 and The Health and Safety at Work (Adventure Activities) Regulations 2016;
 - relevant Activity Safety Guidelines published by WorkSafe New Zealand and subsequent updates;
 - industry Codes including the Outdoor Safety Code and ‘Leave No Trace’ principles;
 - a recognised and approved safety management system including organisational policies and procedures including Emergency Action Plans (EAPs), Standard Operating Procedures (SOPs), incident response management plans and the use of personal protective equipment (PPE);
 - relevant industry publications.
 - current industry good practice.
- 2 **Definition**
Current industry good practice means the range of actions currently accepted within the adventure and outdoor sector to manage the risk of harm to staff, participants, and visitors.
- 3 Further information regarding industry guidelines, key definitions and other relevant information can be found within the Mountain Biking programme guidance document. This document should be consulted when developing learning or assessment against this unit standard. It can be found at www.skillsactive.org.nz

Outcomes and performance criteria

Outcome 1

Teach and critique others in mountain bike guiding or instructing.

Performance criteria

- 1.1 Apply a range of pedagogical practices to educate, and critique others in group and safety management for guiding or instructing groups.
- 1.2 Teach the skills and knowledge required to instruct or guide mountain biking.
Range includes instructing riding techniques, skills and progressions.
- 1.3 Teach mountain biking guides or instructors how to carry out field bike care, maintenance and repairs.
- 1.4 Critique instructors' or guides' performance to provide constructive feedback for improvements in practice.

This unit standard is expiring. Assessment against the standard must take place by the last date for assessment set out below.
