Top Art folio exhibition – full venue listing

As reported last term, Top Art has begun its annual tour of New Zealand. The tour will continue until mid-August, with the folios from the South Island touring the upper North Island from June. A full list of the upcoming tour dates, venues and contacts is attached.

Top Art comprises two groups of 25 students' Visual Arts folios that achieved Excellence in 2008.

The exhibition provides an opportunity for this year's level 3 Visual Art students and teachers to see first-hand a range of high-calibre art produced at this level, and to gain an idea of what is required in order to achieve Excellence. The exhibition is also a chance for members of the public to see the impressive work which New Zealand students are producing.

The list of venues, as well as examples from this year's exhibition, is also available on the Top Art website at: www.topart.co.nz
