## Student checklist

If you're sitting digital exams...

remember to check your device has

the right [browser](#)  
the right [operating system](#)  
notifications, screensavers and automatic updates turned off  
been fully charged

remember to bring

your admission slip  
any other stuff you need listed in the [candidate info sheet](#)

remember you can

check [here](#) to practise what the exam will be like to sit  
arrive at least 20 minutes early to set up  
bring a fully charged power bank if you have one for your emergency pack  
ask to plug in your power bank or for a replacement device if your device loses power  
use your NSN and verification code on your admission slip to access each exam  
complete the 10-question survey at the end of your first exam to help our future planning  
take a photo of your NSN and verification code on your admission slip so you can access your digital script once results are released in January  
choose to do your exam on paper if you do not agree to NZQA collecting digital activity data
