2. Derived grades

NCEA

A derived grade may be applied for by a candidate who, after 1 October, has suffered a temporary impairment including a physical injury or an emotional trauma, which has impaired the candidate's preparation for submission.

The absence or impairment for the candidate must comply with NZQA's [Derived Grade guidelines](#).

A candidate seeking a derived grade applies to NZQA through the school by completing the relevant sections of the derived grade application form.

The school submits a derived grade based on an assessment of the candidate's work to date and where the work would have reasonably been expected to be, had the work been completed.

Candidates must submit the evidence produced throughout the year. This evidence must be sent to NZQA with the school's other submission material.

NZ Scholarship

There is no derived grade process available for NZ Scholarship.

3. Processing possible authenticity breaches

If, when following the school's authentication process, a teacher has formed an opinion that candidate work is not authentic, and the candidate continues with the submission, the teacher and the Principal's Nominee must:

- inform candidates of the [Possible Authenticity Breach process](#)
- download the [Possible Authenticity Breach Form](#)
- complete the *Possible Authenticity Breach Form*. The candidate will be asked to respond to this form as part of any NZQA initiated breach investigation; it is a public document
- email the *Possible Authenticity Breach Form* to breaches@nzqa.govt.nz
- ask the candidate to sign the cover of their envelope
- complete the process well before the submission date.

NZQA will initiate an investigation once the school's report is received.

DVC Senior Business Liaison Officer, 0800 697 296, examinations@nzqa.govt.nz

4. Materials for late entries

NZQA will only provide materials for entries made by 1 September. If you have missed this deadline and need to make late entries:

5. Submissions dispatched after 30 October 2019

Any submissions dispatched after 30 October 2019 must be explained by letter from the school's Principal or Principal's Nominee.
