

## **NZQF Qualification Listing and Operational Rules 2016 (v3)**

### **15 Unsatisfactory reviews of qualifications (other than university qualifications)**

- 1 Where NZQA believes a qualification developer (other than a university) is not meeting its responsibilities under Rule 13.1, NZQA will notify the qualification developer and the original applicant for approval for listing the qualification (where the applicant is a different person), and seek their views including any remedial action the qualification developer intends to take.
- 2 Where NZQA has given the notice under Rule 14.1 and remains satisfied that a qualification developer is not meeting its responsibilities under Rule 13.1, and that the qualification developer has no effective remedial plan, then:
  - a NZQA may require a replacement qualification developer to be appointed within a specified period of time, being a qualification developer that NZQA is satisfied will meet the responsibilities under Rule 13.1, and may amend the listing details accordingly:
  - b NZQA may appoint the replacement qualification developer if there is no replacement qualification developer appointed under paragraph (a) within the specified time:
  - c NZQA may alter the status of the qualification on the NZQF.
