Field Māori programme development support

Māori Qualifications Services has available a selection of downloadable resources to assist programme developers.

Qualifications support materials

Programme guidance material is available to assist in the development of programmes to meet the graduate profile outcomes of qualifications in the following areas:

- [Early Learning \(Mātauranga Māori\)](#)
- [Te Ara Hou ki te Ora](#)
- [Teacher Education \(Mātauranga Māori\)](#)
- [Te Reo Māori me Ngā Tikanga](#)
- [Tourism Māori](#)

Optional assessment standards to support programme development

Assessment standards may be incorporated into programmes of study and used to provide assessment evidence towards the achievement of qualification outcomes.

To provide guidance and/or assistance for programme developers and organisations, assessment standards have been reviewed and aligned to the graduate profile outcomes of Mātauranga Māori qualifications in the following areas:

- [Environment Māori](#)
- [Governance of Māori Authorities](#)
- [Mahinga Kai \(PDF, 220KB\)](#)
- [Nga Toi](#)
- [Te Reo Māori](#)
- [Tourism Māori](#)
- [Wāhi Tapu](#)
- [Whānau Ora \(Level 3\)](#)

There are other standards in the same and other domains of [Field Māori](#) that may be relevant as well.

If your organisation has consent to assess against Field Māori unit standards (and other assessment standards), you can incorporate the standards, as appropriate, in your programmes of study. To find out

which assessment standards your organisation has [consent to assess](#), you can look under the NZQA website's consent to assess scope for [Providers](#).

Other resources

A range of [assessment support materials](#) is also available to help teaching staff assess learners against unit standards listed on the Field Māori section of the Directory of Assessment Standards.
