Introducing NCEA - Pocket guide

NZQA has a new brochure for students and whānau, and it even fits in your pocket. Introducing NCEA will give students the essential information to kickstart their NCEA journey.

This pocket guide complements the How NCEA Works video, which is available on our website, where navigating through NCEA is presented as a journey. Like all journeys, there are different levels, and you build on things you learnt before.

These are available to order [here \(DOC, 1.1MB\)](#).

If you'd prefer, you can watch a [short animation](#) on how NCEA works.
