NZQA professional services fee

01 May 2018

From 1 July NZQA will be increasing the fees it charges for its quality assurance work. This includes all approvals, accreditations, registrations, and External Evaluation Reviews (EER).

This is the first increase since before 2005 (NZQA deliberately did not increase fees during the Global Financial Crisis) and will enable NZQA to continue to deliver quality assurance to Private Training Establishments (PTEs), Polytechnics and Institutes of Technology (ITPs), Wananga, Industry Training Organisations (ITOs) and Government Training Establishments (GTEs).

The increase will ensure NZQA can continue to undertake its approvals, accreditations and quality assurance work with tertiary education organisations. Quality assurance work assures students and employers can have confidence in qualifications

A full list of current fees is available [here](#).

This list will be updated from 1 July 2018, to reflect the new fees.
