

## Processes for maintaining the Approved Subjects List for University Entrance

NZQA has developed [processes and criteria for maintaining the approved subjects list for University Entrance](#) (PDF, 226KB). To find out more, click the little blue arrow .

A modification to the list of approved subjects for University Entrance (and standards)

### Key dates for 2018

Modification to the UE List

	<b>Application to NZQA</b>
Addition of standards to a current subject/subjects on the list	28 February 2018
Addition of a new subject to the list	31 May 2018

## How to

To submit an application to modify the list of approved subjects, please refer to the [Application for Modification to the Approved Subjects List for University Entrance](#) and email [UEchanges@nzqa.govt.nz](mailto:UEchanges@nzqa.govt.nz).

A regular periodic review of the list of approved subjects for University Entrance (which meets its intended purpose). This occurs every four years

## Key dates for 2018

### Periodic Review of the List

Every four years NZQA consults with the education sector and other interested parties to ensure that the list is relevant and meets the sector's expectations.

Changes may be made to whole subjects, or to the standards within a subject.

The first Periodic review of the approved subjects list for University Entrance will be held in 2018.

<b>Process</b>	<b>Indicative Timing</b>
NZQA call for submissions	From February
Information to NZQA	By 31 August 2018
NZQA notifies the outcome of the Review	By end of August 2018

Please refer to the [process and criteria guidelines \(PDF, 226KB\)](#) for further information. All applications must be submitted to support your application.
