

Spotlights

Show: [NCEA Subject Resources](#)

Spotlights is a series of resources that highlight current 'hot topics' in Assessment and Moderation.

[Spotlight 3: Unpacking an Achievement Standard \(video series\)](#)

A three-part video series that talks about how to unpack an internally assessed Achievement Standard. A Te Reo Māori version is also available (audio only).

[Spotlight 2: TAP Overview \(video\)](#)

An overview of the Transforming Assessment Praxis (TAP) programme describing the content and types of activities that are included in the online workshop.

[Spotlight 1: TAP Testimonial #1 \(video\)](#)

A teacher explains how she put into practice what she learned from participating in the Transforming Assessment Praxis (TAP) programme and the impact it has had on her students.
