Universal Education Group Limited trading as New Zealand National College 2008 (NZNC)

08 Jan 2018

NZNC's registration as a private training establishment has been cancelled, so it can no longer provide the programmes that it was delivering.

NZNC offered education and training in English Studies, Preparation for University Study (Uni Prep) and the Diploma in Business (Level 7).

NZNC was subject to quality assurance activity by NZQA that identified serious concerns in relation to educational performance and compliance with NZQA rules.

NZQA's role is to ensure that quality education is delivered to students and that New Zealand qualifications are robust, credible, and internationally recognised.

NZQA's priority is ensuring students have information about the next steps and are supported at this time. NZQA will be in touch with students shortly.
