

If you would like your qualification(s) to be assessed for immigration purposes and you are applying under one of Immigration New Zealand’s Skill Shortage Lists, please complete this form so that your qualification(s) can be assessed for this purpose.

Before you complete this form, please ensure you do the following:

- [Check the latest Skill Shortage Lists](https://bit.ly/2GDZQuE) on the Immigration New Zealand website (https://bit.ly/2GDZQuE) and make a note of the date of the list (on the first page).
- For your nominated occupation on the Skill Shortage List, check that your qualification meets the requirements listed. Make a note of the occupation name and code.
- In the form below, ensure you enter only **ONE Occupation Group, Occupation and Occupation Code** so that your qualification(s) can be assessed correctly for your nominated occupation.

IMPORTANT

- If you are submitting a post-bachelor qualification for assessment against the Skill Shortage List, **please also submit all relevant undergraduate qualifications** (e.g. bachelor degree) as **supporting documents**. **This is required for us to be able to process your application correctly. Please note that only the nominated qualification(s) will be assessed, not the supporting documents.**
- The IQA provides an assessment of which level your overseas qualification compares to on the New Zealand Qualifications Framework (NZQF), and, where possible, to a New Zealand qualification type. **The Skill Shortage List may also list other documents that need to be provided to Immigration New Zealand** (for example, a letter from Engineering New Zealand for some engineering occupations). **NZQA does not provide these additional documents**; you will need to contact the relevant authorities and apply to them directly.

Please complete the fields below. Incomplete or missing information will cause delays.

Applicant Name							
IQA or Applicant Number (if available)							-
Effective Date of List (on first page of Skill Shortage List)							

Please select (tick) **ONE** Skill Shortage List

	Long Term Skill Shortage List (LTSSL)
	Immediate Skill Shortage List (ISSL)
	Construction and Infrastructure Skill Shortage List (CISSL)
