### Part B: Report on standards

90903: Demonstrate understanding of a variety of spoken Sāmoan texts on areas of most immediate relevance

AND

90906: Demonstrate understanding of a variety of Sāmoan texts on areas of most immediate relevance

Candidates who were awarded **Achievement** commonly:

- provided a generic and / or basic response to the question
- did not attempt all parts of a question
- stated facts without supporting details and example(s)

- demonstrated understanding but did not effectively paraphrase

Candidates whose work was assessed as **Not Achieved** commonly:

- showed very little or limited understanding of the passages in their responses
- copied sections of text directly from passages with very little connection to the question
- answered just one or no part of the question at all
- responded with one-word or single phrases to all parts of the question
- repeated the same words / phrases for all question parts.

Candidates who were awarded **Achievement with Merit** commonly:

- referred to well-selected words and phrases in their answers
- showed some evidence of support from the text to describe, explain and provide examples to the question
- lacked relevant examples from the passage.

Candidates who were awarded **Achievement with Excellence** commonly:

- responded thoroughly to the question, supporting the response, with evidence, examples and quotations from the passage that were relevant and well targeted
- integrated their own personal experience, where relevant
- explored the views of others as evident in the passage
- focused on the 'why' part of the question.

## Standard specific comments for 90903:

Candidates who used the planning page to take notes as they listened were able to structure their answers and respond more fully. Candidates who were also able to provide evidence of discussion were more likely to access the higher grades.

Candidates were disadvantaged when they repeated passages from the audio verbatim without putting their response into their own words.
