

Process to report credits for Class 1 Driver Licence unit standards

Student

- The learner:
- Completes the downloadable application form
 - Presents the form and Class 1 Driver Licence to the person within the school or TEO with responsibility for processing the application

School/TEO

School has access to report standards through base scope

TEO applies for consent to assess the domain 'Driver Licence Class 1' online through the NZQA TEO login

TEO is granted consent to assess for domain 'Driver Licence Class 1'

The person with designated responsibility undertakes RPL:

- Checks the Class 1 Driver Licence evidence presented
- Checks information in application form is correct and countersigns form

School and TEO keep copy of application form and copy of original licence as evidence of RPL

Schools and TEOs report credits to NZQA following their usual credit reporting processes

Standard internal moderation practices

Manage records according to school/TEO policy

NZQA

Standards are recorded on the learner's Record of Achievement

Standard process of audit/ external moderation performed

This is the process of how learners will be obtain Class 1 Driver Licence standards from gaining the different levels of the Class 1 Driver Licence in New Zealand
