

# Design and Visual Communication AS 91339

## Exemplar E – Not Achieve

AS 91339 (2.32): Produce instrumental perspective projection drawings to communicate design ideas (3 credits).

Achievement	Achievement with Merit	Achievement with Excellence
Produce instrumental perspective projection drawings to communicate design ideas.	Produce instrumental perspective projection drawings to <b>clearly</b> communicate design ideas.	Produce instrumental perspective projection drawings to <b>effectively</b> communicate design ideas.
<del>Uses perspective projection drawing <b>techniques</b> to communicate complex visual information.</del>	<del>Uses perspective projection drawing techniques to <b>skillfully</b> communicate complex visual information.</del>	<del>Demonstrate an ability to <b>select a viewpoint</b> that enables complex visual information of the design to be <b>effectively</b> communicated.</del>
The instrumental perspective drawing shows <b>design features</b> .	The instrumental perspective drawing <b>clearly</b> shows <b>detail</b> of the design features.	The instrumental perspective drawing <b>clearly</b> shows <b>detail</b> of the design features.

Overall level of attainment for 91339
<b>N</b>

**COMMENTS:**

The setting up of the VP's has not been accurately projected and therefore the perspective principles have not been applied correctly, preventing this drawing from achieving at a higher level.

Although there is not a high level of detailing shown, there is complexity in the shape and form. The curve on the top has been plotted with some skill. The perspective has been well presented but the perspective principles have not been applied correctly.
