

The image displays a series of design process documents:

- Further Linking Web Analysis:** A page with handwritten notes and images of website layouts, discussing design goals and user experience.
- Review Analysis SUMMARY:** A central mind map with branches for 'Aesthetic Considerations', 'Functional Considerations', and 'Practical'. It includes handwritten notes on design goals, user needs, and feedback loops.
- EXHIBITION SITES:** A page featuring photographs of various exhibition spaces with handwritten annotations describing their features and layout.
- Architectural Drawings:** A page with technical drawings and perspective views of an exhibition space, labeled with a red circle '6'.
