I belonged to a new under class... we now have discrimination down to a science.

There is no gene for the human spirit.

Anton's Birth:

An invincible determination can accomplish almost anything.

I never saw anything for the swim back. It was the moment that made everything else possible.

You could have done literally anything then, and never yet such a mess.

Gattaca (1997)
"You dream of space, start by cleaning this space right here."

"Second place is not good enough."

"I wasn't drunk when I walked in front of that Zen. I'd never been more sober in my life. I couldn't even get that right."

"I only lent you my body - you lent me your dream."

The Journeys of Vincent and Jerome

Freedom from society's expectations

An inexplicable determination called discrimination got him to the stars.

They say that every atom in our body was once part of a star. Maybe I'm not leaving maybe I'm going home.
