

Student 4: High Achieved
NZQA Intended for teacher use only

1. Freds taxi company = $C = 5 + 0.5D$
P and G Taxi company = $C = 0.65D + 2$
Flatrate Taxi Company = $C = 25$ ②
2. I would recommend taking P and G to the city centre and Flatrate to Bethlehem. ③
3. 20 or less km's, P and G is cheapest.
