Guidance Information

- 1 All evidence presented in this unit standard must be in accordance with:
 - Workplace procedures;
 - Fisheries Act 1996;
 - Fisheries (Reporting) Regulations 2017;
 - Health and Safety at Work Act 2015;
 - and any subsequent amendments.
- 2 Definition

Workplace procedures refer to the policies and procedures set out in a verbal or written form by the employer or organisation. Procedures must be consistent with current legislative requirements and manufacturer's recommendations or instructions where relevant.

Outcomes and performance criteria

Outcome 1

Describe the information required to comply with the quota management system, in relation to processed and non-processed fish in accordance with the Fisheries Act 1996.

Performance criteria

- 1.1 Describe the information required to comply with the quota management system in relation to processed fish.

Range species, processed state, numbers and types of units, unit weights, fish to meal, conversion factors.

- 1.2 Describe the information required to comply with the quota management system, in relation to non-processed fish.

Range discards, accidental losses, fish to galley.

Outcome 2

Describe the importance of accurate application of the processed state when processing fish in accordance with Fisheries (Reporting) Regulations 2017.

Performance criteria

- 2.1 Describe the impact of inaccurate fish cuts and conversion factors on the accuracy of reported green weight of fish.

- 2.2 Describe the impact of inaccurate fish cuts and conversion factors on the accuracy of reported information in terms of the reporting requirements and penalties.

Outcome 3

Gather and document information required to prepare the statutory returns.

Range fish identification, fish processed state, conversion factors, unit weight, number of units, green weight, discarding rules, minimum fish legal size, accidental loss, fish to galley.

Performance criteria

- 3.1 Gather and document information required to prepare the statutory returns in accordance with the Fisheries (Reporting) Regulations 2017.

Planned review date	31 December 2028
