Guidance Information

- 1 Legislation
Building Act 2004;
Real Estate Agents Act 2008;
Resource Management Act 1991;
Te Ture Whenua Maori Act 1993;
and all subsequent amendments and replacements.
- 2 Definitions
District Plans contain objectives, policies, rules and maps for managing activities and development in a specific district or city.
Property or properties refer to residential, rural, commercial, or industrial property, a business, or land.
Regional Plans assist a regional council to carry out its functions in order to achieve the sustainable management purpose of the Resource Management, which is to sustainably manage the physical and natural resources in the region Act.

Outcomes and performance criteria

Outcome 1

Explain the purpose and principles of and restrictions and controls imposed by the Resource Management Act 1991 and District Plans.

Performance criteria

1.1 Explain the purpose and principles of the Resource Management Act 1991.

1.2 Explain controls for use and development imposed by the Resource Management Act 1991.

Range may include – district plans, regional plans, regional coastal plans.

1.3 Explain the three kinds of restrictions imposed by District Plans.

Outcome 2

Identify and interpret zoning information relevant to site uses.

Performance criteria

2.1 Identify sources of information that describe site uses and restrictions.

2.2 Interpret zoning information to identify uses and restrictions for a specified property consistent with a district plan and/or regional plan.

Outcome 3

Demonstrate knowledge of how land sites influence building structures.

Performance criteria

3.1 Explain how land sites may influence the type of building that may be constructed.

Range includes but is not limited to – contour, soil type, geographic location.

3.2 Describe how issues affecting land development influence the construction of buildings.

Range issues may include but is not limited to – wind zones, proximity to sea, erosion, geotechnical reports, contamination, historical and Māori artefacts, contour, earthquake zones, flood zones, foundations.

Outcome 4

Describe property-related documentation held by a territorial authority.

Performance criteria

- 4.1 Describe information contained in property-related documentation held by a territorial authority.

Range Land Information Memorandum, Project Information Memorandum, Property File and/or Property Bag.
