Guidance Information

1 Definitions

Establishment requirements refer to applicable procedures found in the following: establishment performance guidelines and standards; equipment manufacturer's procedures and specifications; Government and local body legislation.

Food control plan – as defined in the Food Act 2014.

Food-related establishment – an operation that engages in the production, manufacture, preparation, packaging, storage, handling, transport, distribution, or sale of food whether for profit or not.

Hazard – a biological, chemical, or physical agent with the potential to cause harm when present at an unacceptable level.

2 Legislation relevant to this unit standard includes but is not limited to – Food Act 2014, Health and Safety at Work Act 2015.

3 Evidence for the practical components of this unit standard must be gathered in a food-related establishment in accordance with establishment requirements.

Outcomes and performance criteria

Outcome 1

Demonstrate knowledge of a food control plan in a food-related establishment.

Performance criteria

- 1.1 The importance of a food control plan is explained in terms of its potential impact on the establishment.
- 1.2 The importance of individual staff positions in a food-related establishment is explained in terms of the operation of a food control plan.
- 1.3 The potential hazards to the establishment's food products are identified and described in terms of the actions required to eliminate or minimise them.
- 1.4 Hazardous food control procedures, control records, and corrective actions for the establishment's food products are identified and described in accordance with establishment requirements.

Outcome 2

Monitor staff use of hazardous food control procedures.

Performance criteria

- 2.1 Monitor staff use of hazardous food control recording sheets in accordance with the food control plan.
- 2.2 Staff application of hazardous food control recording sheets is monitored for consistency in accordance with the food control plan.

Outcome 3

Ensure corrective actions are taken for risk situations documented in the food control plan.

Performance criteria

- 3.1 Corrective actions are taken in accordance with the food control.
- 3.2 Corrective actions are recorded in accordance with the food control plan.
- 3.3 Repetitive corrective actions are reported.
- 3.4 Documented procedures for dealing with unforeseen circumstances are described in accordance with the food control plan.
