INSTRUCTIONS

Access to contraception in sub-Saharan Africa is an international health issue that is currently affecting the well-being of a significant amount of people and is a matter of public concern.

Before you begin, read ALL parts of the question.

Support each answer with **specific and relevant evidence** from **Resource Booklet 91462R**, and your own knowledge about poverty. Evidence can include examples, quotations, and/or data from credible and current sources.

Space for planning is provided below. Note that planning is not assessed.

Begin your answers on page 5.

PLANNING
