### Guidance information

- 1 This unit standard may contribute to the New Zealand Certificate in English Language (Applied) (Level 3) [Ref: 3667]. Assessment of outcomes must clearly reflect the context (employment or academic) being studied.
- 2 It is recommended that:
  - i the outcomes are assessed as part of an integrated unit of work, relevant to the learning context of the learner;
  - ii assessment be conducted in conjunction with assessment against other English Language unit standards at this level.
- 3 This unit standard is at a level informed to the Common European Framework of Reference (CEFR). A structured overview of all CEFR related scales can be found at <https://www.coe.int/en/web/portfolio/overview-of-cefr-related-scales>.
- 4 The requirements of this standard are consistent with the *supporting documents*. They include guidelines relating to appropriate texts, task specifications and assessment conditions and can be found at <https://www2.nzqa.govt.nz/qualifications-and-standards/english-language/>.
- 5 All assessment activities must be conducted in English, which must not be the learner's first language.
- 6 Learners must be given time to read any written instructions and questions before the listening task. Clarification of task instructions may be requested by the learner, so long as this does not lead the learner to the correct answer.

- 7 Learners may use a bilingual and/or an English dictionary.
- 8 Learners' responses may be oral, written or by non-verbal demonstration. If responses are oral or demonstrated, they must not be heard or observed by other learners. Responses may contain minor phonological or linguistic inaccuracies, but errors must not impede meaning. This standard assesses listening skills, not spoken, reading or written skills.
- 9 Spoken text for this unit standard:
- i must be at least five minutes;
  - ii must be a monologue;
  - iii must be appropriate to the spoken mode, or a text which is designed for oral delivery;
  - iv must be repeated once only;
  - v must be delivered in clear speech;
  - vi may include in the academic context presentations/lectures/talks; and in the employment context meetings, training sessions;
  - vii can be listened to face-to-face, or in pre-recorded audio or audio-visual format. If audio-visual materials are used, these must not include large amounts of written text.
- 10 For quality assurance purposes, including moderation, if the learner's response is oral or demonstrated the assessment must be recorded both aurally and visually. Recordings must ensure the learner is clearly visible. Recorded work must not be edited. Guidelines for digital visual submissions be found at:  
<https://www2.nzqa.govt.nz>.
- 11 Guidelines for preparing submissions for moderation can be found at:  
<https://www2.nzqa.govt.nz/tertiary/assessment-and-moderation-of-standards/external-moderation-application/>.
